Health Certainty in Care OUICK START GUIDE TRG Radiology Referral SmartForm

The TRG Radiology Referral SmartForm has been designed to make it easier for you to complete and submit a radiology referral for your patient electronically to TRG

This guide has been created to show you the key steps involved in completing the TRG Radiology Referral SmartForm within Medtech32

Contact

If you require further technical support for the form please contact: HealthLink helpdesk@healthlink.net 0800 288 887

If you have questions relating to Medtech32 or Medtech services please contact: Medtech Ltd support@medtechglobal.com 0800 263 3832

1. Open the patient record

Search for the patient and open their medical record. Select the HealthLink icon above the patient details banner. The HealthLink launch page will display.

3. Complete the TRG Radiology Referral SmartForm

The TRG Radiology Referral SmartForm will display. It is very similar in format and functionality to a DHB eReferral form. The imaging modality field will only display the imaging modality services that are available to you for selection based on the TRG location selected. Complete the relevant fields under each tab on the left. The form can be parked if you want to work on it later.

4. Submit the TRG Radiology Referral SmartForm

Group)

Select the 'Submit' button when you are ready to send your form to TRG. The form will be sent electronically via HealthLink. If you want to print a copy of the form, select 'Print' at the end of your submitted form, remembering to select your default printer.

Hints & Tips

View the organisation contact information and bio: Click on 'Contact' in the list of locations matching the search criteria in CareSelect to view the Contact Information for the location. This can be printed for the patient (Compose Referral can be selected from this screen also).
